

Every two years, Mizuno Long Beach Volleyball Club provides an opportunity for its junior and senior aged players to experience international competition. This year the Mizuno 18, Mizuno 17 and Runbird 18/17 teams will travel to France, Belgium and Holland where they will play the French Junior National Team, the Dutch Junior National Team and the Belgian A1 Olympic hopefuls. The cost of this trip will be \$2,500 per player and we have set an ambitious goal to raise \$100,000 to cover the cost of every girl's travel. A Mizuno Wall of Fame to honor the Mizuno Long Beach Volleyball Club family will be erected at the MAC this season. Leave your legacy and help us reach our fundraising goal by purchasing a tile.
