possibilities are endless!

The South Lincoln All-Purpose-Field project began with early planning activities in the fall of 2010. After many fund raisers, ground breaking occurred in June of 2013. Once completed, this field will be utilized for school activities, physical education opportunities, and athletic games of football and soccer.

Please take part in making South Lincoln history with this permanent display through your purchase of a laser engraved brick(s). These bricks will form the walkway from the entrance to the field and be a constant reminder of your support. There are many options available which include customized memorials to loved ones, recognition of past Eagle Alumni, current athletes, students, parents, grandparents, etc. Clip Art may be added for an additional cost and custom corporate logos may also be designed to show your support of this worthy project.

Bricks may be purchased by cash, check, money order, or credit card. More information on the All-Purpose-Field and Brick Fundraiser is available at www.slmseagles.org
